**ASSESSMENT DATA:**

**Graduation Assessment Requirements**

All students seeking a high school diploma are assessed in the areas of Writing, English/Language Arts, Mathematics, Science and Social Studies. These assessments consist of state tests and the Gwinnett Gateway, and ensure that students qualifying for a diploma have mastered essential core academic content and skills. Scale scores are reported only for advanced proficiency and honors in Language Arts on the Georgia High School Graduation Test.

Graduation Requirement Status	Local Requirement in Science	Local Requirement in Social Studies	State Requirement in Writing
MET	YES	YES	YES

**End of Course Tests (EOCTs)**

Under requirements of the state Department of Education, students in grades 9-12 who are enrolled in selected courses in core subjects must take an end-of-course test at the completion of the class. The tests – required for two courses in each core subject area – are designed to hold students statewide to the same learning standards.
